

## LISTENING COMPREHENSION

### Penny Wright

Penny Wright is 25 years old. She left school at 18 and studied for one year at Pitmans Secretarial College, where she got a Diploma. She worked as a secretary in London for four years, including four months as a receptionist for a large company.

At the moment she is working as a receptionist at the Sands Hotel, Brighton. She has been there for the past six months. She answers the phone and sits at the reception desk and gives people their keys. She doesn't even use a computer in her job because it's just a small family hotel- but she learned about computers at college, and she used a computer when she worked in an office. She wants to leave her present job and to work somewhere bigger. She also thinks the hours are very long. She doesn't mind working hard. She just thinks that the job's a bit boring and there isn't really enough to do.

Actually, she has applied for a job in the White Rocks Hotel, Barbados. She would like to work in a big hotel because she enjoys hotel work and she would like the experience of working abroad.
